## **OUTLIER MEDIA VOLUNTEER DAY**

Outlier Media visited the art room at Edison Elementary on October 17th. They helped our students learn about different media and painted a faux living room we had set up. They were asking our art students where do they get their media and responses ranged from the mailman, tv, to the phone and lap tops. We are so grateful to Outlier Media for taking time out of their day to teach our students about different forms of media and most of all having fun in the art room!

## **GIVING TUESDAY**

Giving Tuesday is coming up on Tuesday November 28th. We like to think of it as Taco Tuesday, please consider donating your “taco money” No amount is too small, it all makes a difference in the lives of our students.
